Shawnee History Day occurred as planned with 44 persons attending. Doug Stephens was commended for his fine story written about Shawnee Day. Various photos will be available for the scrapbook.

Betty Coulthard reported that she will have to consult with the Park County Commissioners about a retaining wall for the cemetery. Art Hall said that he may have a picture of the original fence obtained from Donna Mae Fish, a former resident of Shawnee. Art also met with another old-time resident, Mr. Edgington, who described the fence as cheap square wire with barbed wire on top. It was of simple design with wood posts and no gate. Kate Andrews and Todd Alcock volunteered to help Betty with a write up of the Shawnee Cemetery.

On August 5th there will be a memorial for Meezie Keys who past on recently.

New Business:

SHS has three new members. A method for welcoming new members is needed.

Rural Philanthropy Days will be attended by Barbara Behl in September. She will present the various SHS programs involving the Cemetery, the walking tour, a Shawnee Museum, and the Shawnee History Day.
